Miss Young - What's been happening this week....?

Dear Parents/Carers,

This week our Y1 pupils have been sitting their phonics screening tasks, the children and staff have been amazing. These results will be shared with Y1 parents before the end of the school year. We had a 'drop in' visit from the local authority to ensure the papers had been kept secure and that we were implementing the tasks appropriately and he was very happy with what he found.

Our Y5 pupils have sat a pilot science test this week to help inform the government on particular standards and achievements. Schools were randomly selected to inform their process but we will not get any results for this it is purely a fact finding assessment.

Bedford High School came to visit to aid transition for some of our Y6 pupils and some children have also had their first visit to Westleigh in preparation for September, they are all growing up so fast, this year seems to have flown by!

I hope you all have a wonderful weekend and that the sun continues to shine for you all.

Miss Young
