Miss Young - What's been happening this week....?

Dear parents and carers,

This week the children have all truly blossomed and settled in to their new routines.

Little Dragons have been exploring their senses, looking at mystery jars and using smell, sight and touch to guess what was inside.

Reception children have had their first full week! They have been making potions and much more in their outdoor learning. They have all had so much fun and made treasure maps too.

Year 1/2 have been producing some excellent writing with finger spaces and capital letters! They have certainly grown up over summer.

Y3/4 fraction work has been extremely exciting with practical sessions. Sting of the dump has had them all engrossed and Miss Ball's class have started their swimming sessions for the term.

Y5/6 are enthralled with their 'Pirate' writing using Treasure Island as a stimulus whilst undertaking their own research too.

Can I remind all parents that children who have Health Care Plans must return their child's medication to school or inform Mrs Huyton (was Cook) if their medication is no longer necessary. It is vital we have this on site and for any visits that take place.

Have a lovely weekend

Miss Young
