## Miss Young - What's been happening this week....?

A huge thank you for all your support with our Macmillan Coffee Morning bake sale last Friday. We raised £164.50 which is fantastic!

This week Little Dragons have been harnessing the wind using ribbons, I believe this weekend is VERY windy, ask your children to show you what they have been doing whilst at home.

Reception have found lots of worms in our outdoor area. They have been researching about them and want to make a wormery. They need your help - if you have any empty glass jars with lids you no longer need could you please pass them to an adult at the Reception gate.

Year 1/2 have been studying 'Superheroes' with Sinclair a wonder Bear as their class stimulus, this week they have had a visit from real life superhero Mrs Goodwin!

Year 3 have been investigating numbers to 10,000 using Dienes equipment and place value charts. We have been working very hard to put the comma and the word 'and' in the correct place when saying and writing the number.

Year 4 have been doing some very tricky work on right angles during their Singapore Maths lessons, they have worked very hard to transfer their skills into problem solving questions.

Y5/6 have been showing us all how to use the PE apparatus safely and effectively. They are amazingly talented and the balances looked extremely difficult, next week they will be visiting Astley Colliery as part of their history topic.

Have a lovely weekend and be sure to keep your feet firmly on the ground if we have high winds!

Miss Young
