Dear Parents/Guardians,

I hope you all had a wonderful half term with your families and friends. We have had a super first week back at school this week and the children have settled beautifully back into their routines.

Key Stage 2 attended church with Reverend Jonathan this week, focusing on Daniel and the Lion's Den. The children also explored honesty, always telling the truth and courage.

The children in Reception have been learning all about 'We're going on a Bear Hunt' and have been engaging in provision activities linked to this.

The children in KS1 have been looking at Horrid Henry this week. They wrote down questions that they would like to ask Henry and he responded to them through a video link. The children were very excited and are keen to learn more about him.

Some of the children in Year 3/4 were awarded their pen licenses in worship this week. This means that they will be able to write in pen in their English, Writing and CFL books from now on. We are all very proud of them and are looking forward to presenting more licenses over the coming weeks.

Year 5/6 have been exploring the 'Eye of the Storm' in English this week. The children watched a visual clip in the Immersion room to enhance their writing. This week the children have become mini scientists, investigating the rate in which material dissolves.

We currently have a 'Reflection Garden' project going on at school, which is being developed by the Worship team. We are pleased to announce that a successful grant application has been submitted to Tesco. Our project will be available for voting during November and December in the Atherton and Leigh store. When you are out shopping, please make sure you get the tokens and place them in the box so we can get as many votes as possible.

I hope you have a lovely weekend
