### Friday 19<sup>th</sup> January 2018

Welcome back!

Dear Parents and Carers,

This week we have been back into full swing, clubs have started back and the children are getting stuck into their new topics.

Little Dragons Adventurers and Discoverers have enjoyed an Active Living session where they explored the texture, smell and taste of different fruits - Keep your eyes peeled for details of parent and child sessions.

Reception has received an unexpected delivery from an astronaut, who left them challenge! Obviously they have been trying hard to help them out.

Year 1/2 have been learning about carnivores, herbivores and omnivores using the large equipment outside to classify, the weather has certainly not put them off.

Y3/4 pupils have been using their problem solving and reasoning skills in maths to answer some very tricky questions.

Y5/6 have had a real focus on fractions, they have certainly rose to the challenge and clearly been working strategically to work out their answers.

Our school PTFA have been working tirelessly organising the school events and the next one is the Valentine's Disco. Without these volunteers these events just could not happen, I would like to thank them for all their efforts.

Today we have seen a number of our parents graduate from the UCAN parent programme which has been running for the last twelve months. We have had such a huge success across both our schools, parents have really engaged and there have been many success stories along the way. Well done!

Today is the last day of the school Facebook page (not the PTFA page) as our new school app will replace the page from this point onwards.

Have a lovely weekend!

### Please be reminded:

**No Dogs are allowed on school Premises**

**Parents/Carers are not permitted to enter the school car park to drop off children for breakfast club or at the start or end of the school day as reversing cars are very dangerous in the area where children are entering the school grounds on foot. Please also take care when parking near the school and remember that it is illegal to park in the bus lane.**

**Miss L Young**
