Dear Parent/Carer,

This week the children have been working on embedding some of their learning. We've had; algebra, fractions, tricky words, throwing and catching, even artwork inspired by famous artists. Your children never cease to amaze me with their resilience and sheer determination to rise to every challenge!

After school clubs are thriving too...choir club sound beautiful with their rendition of 'Amazing Grace' filling the corridors, homework and curriculum clubs are buzzing with children grappling with the challenges set, and football club seem full of energy and team spirit!

Our Year 2 and Year 6 staff have attended training with the Local Authority to ensure they are secure in their writing moderation. All year groups will be moderating further next week along with other local schools.

The Local Governing Body met last night to scrutinise workbooks. They celebrated the work children have completed, the marking/intervention that staff undertake within lessons to move children on, and they also set challenges for us to improve our work further.

The School PTFA have been working hard to prepare for the upcoming Valentine's Disco's. I'm sure you will join me in thanking them, as without their hard work these events couldn't take place.

Have a lovely weekend!
