9th February 2018

Dear Parents and Carers,

On Tuesday, the whole school took part in the 'Safer Internet Day' with a theme of "Create, connect and share respect: A better internet starts with you". The day was a call to action for every stakeholder to play their part in creating a better internet for everyone, in particular the youngest users out there. More than that, it was an invitation for everyone to join in and engage with others in a respectful way in order to ensure a better digital experience. If you have any questions or queries about how to keep your child safe online at home, come into school to the main office as we have experts at hand who will gladly help.

As I've dipped into classes this week there have been numerous exciting topics being covered from the creation of dinosaurs, Fireman Sam's tea break, Shakespeare, Spanish bingo but also managing to have a little time out to go out in the snow.

Next Friday we will be saying our goodbyes to Mrs Huyton who has made the difficult decision to leave us after fifteen years, she will be joining her husband and helping him to run their expanding business. I'm sure you will join me in wishing her well for the future.

Just one more week left before half term. See below for the dates you need to be aware of such as Valentine's Day discos next week and World book Day when we come back after the break.

Have a lovely weekend and wrap up warm
