9 March 2018

Dear Parents/Carers

In school this week we have started our progress meetings. This is where every child's attainment, progress and next steps are discussed. The information gathered and any interventions will be shared with you via class teachers at the upcoming parents evening (19th March), letters have been sent home and there's a notice in the school app.

May I take the opportunity to ask that you ensure your child is punctual for school on a daily basis, vital learning takes place and arriving just a few minutes late on a regular basis can really hinder the progress that your child makes. Wherever possible, ensure that appointments are made out of school hours. Should this be unavoidable, please ensure that you notify school at the earliest possible opportunity to avoid children missing interventions and lessons that ensure our child achieves their full potential.

The PTFA have worked their magic yet again this week, a Mother's Day sale took place yesterday. The wrapped 240 individual cupcakes in their own time and gathered numerous other gifts. With your continued support they raised over £300. Well done to everyone for their hard work, they really are remarkable bunch who are always looking for others to join.

At present the PTFA are asking for any Easter Egg or chocolate donations, we would ask that in light of recent events locally in the news that we refrain from bringing mini eggs into school, and that parents supervise children should they have them, just as you would do with grapes. Any donations can be sent into school with your child or dropped at the main office.

Spring is on its way and the children have already been spotting signs of this in the school grounds, but who knows what weather the weekend will bring.

See you on Monday!

Enjoy the weekend
