20th April 2018

Dear Parents and Carers,

As of this week each class will be taking it in turns to write the school newsletter. This week we have Mrs Brown from Little Dragons, we do hope you enjoy the new format.

Welcome back after the Easter break. At last we are seeing the 1st signs of spring and the children have been enjoying their time in the sunshine.

This week in the Explorers room (2 year old room) the children have been learning about farm animals and the sounds that they make, counting using numbers names. Outdoors is the role play area there is a farm shop that the children can play with real fruit and veg. We have made the most of the good weather and we have already had our first picnic.

In the Discovers room they have been learning about the story of Jack and the beanstalk and in the adventurer's room their CFL is all about pirates and under the sea.

This week in reception they have been using creative clay to make farm animals in preparing for the mobile farm visit.

In Year 1/2 they are learning about the history of flight and the story of the bright brothers. They are beginning to start a new CFL of ancient Greece.

This week in Year 3/4 their CFL is all about countries and citizens in the UK and they are being introduced to the Harry Potter story.

On Monday, 16th April the Year 6 Children have had boosters with their form teachers in preparation for the SATS. They are under way for their SATS revision and all the children are working very hard.

Just a reminder that we would like to invite everyone to take part in the St George's day parade on Sunday, 22nd April. Meeting at school from 11:30 am to start the parade at 12:00 pm, the parade will then finish at Dorset Road Community Centre.

Many thanks for your continued support

Mrs L. Brown
Little Dragons Pre School
