27th April 2018

Dear Parents and Carers,

This week the newsletter has been written by Mrs Tanner and the Little Dragons' Adventurers team.

Thank you to all families and staff who attended the St Georges day Parade last weekend, it was fantastic to see our children proudly carry the flag.

In Little Dragons we have been celebrating St Georges Day. Explorers decorated biscuits with white and red icing to make a flag, Discoverers made flags using their fine motor skills to stick on tissue paper pieces, and adventurers re-told the story using a storyboard.

Reception have had a very exciting week with the arrival of some eggs, ready to hatch! Over the week they have been learning about the life cycle of a chicken, and have watched the eggs hatch into chicks.

Years 1 and 2 have been finding different ways to divide 24, and in Mad Science used team working to create structures using dried spaghetti and jelly babies.

Years 3 and 4 got messy making Harry Potter potions. We used our recipe to write our own instructions during our writing lesson.

Years 5 and 6 have been practicing for our upcoming Sports Day, taking part in activities such as javelin, hurdles and bean bag races.

Many thanks for your continued support

Mrs L. Tanner
Little Dragons Pre School

What's coming up...

Monday, 30th April 2018 – Mobile Farm in School
