Dear Parents/Carers,

We would like to thank parents for their kind donations of gardening equipment for the EYFS department. The children in EYFS have been actively helping to tend to the garden and have enjoyed numerous planting opportunities.

This week, Little Dragons have been learning about the lifecycle of a caterpillar. The children enjoyed sharing the story of 'The Hungry Caterpillar' and have been hunting for mini-beasts in our outdoor area.

In the lead up to the Royal Wedding, EYFS have been excitedly preparing for the event. Both Reception and Little Dragons will be hosting a wedding party next week and have been busy writing invitations and making party decorations.

All Year 1/2 children took part in a very energetic PE lesson with their teachers. The children completed a circuit training session outside – well done Year 1/2! One of the Year 1/2 classes took part in a technology lesson about flight at Westleigh High School. The children enjoyed making and launching their own handmade rockets.

Year 3/4 have been learning about 'Changing States' during Science lessons. The children completed an experiment, which looked at turning butter into liquid. The children made some interesting predictions and were fascinated with their results.

Year 5/6 have been reading the novel 'Wonder'. This has led to lots of discussion about the importance of being kind. The children have been carrying out 'delightful deeds' both in class and around school.

Many thanks for you continued support,

Miss K. Marsh  
Reception Class Teacher

*What's coming up...*

**Monday, 14<sup>th</sup> May 2018** - Year 6 SATS week

**Monday, 21<sup>st</sup> May 2018** – Year 2 SATS week
