Dear Parents/Carers,

Wow! What a fantastic week we have had at school this week. The weather has been glorious and there has been lots of fantastic learning taking place across all the phases.

Reception have been exploring and investigating mini beasts both within their indoor and outdoor environment. They have been on a mini beast hunt, learnt facts through non-fiction texts and created their own fact files.

The Year 1 children have been writing letters to Miss Young, asking her to let the character from their class reader, 'Beegu', stay at St George's for a little while. They have also been exploring money in their maths lessons this week. A huge well done to the Year 2 children on completing their end of Key Stage One SATs. All the staff are extremely proud of the children and the effort they have put in over the last week.

Year 3/4 have continued to read and explore Harry Potter. They have had a fantastic time using rhyming couplets to write poems about the different houses in the book. They have impressed their teachers with their poetry writing skills.

Year 5/6 have been solving mysteries in maths this week, applying all of the knowledge and skills they have learned over the year. They have thoroughly enjoyed doing this and have really challenged themselves.

Have a lovely half term break and we will see you on Monday 4th June when school reopens at the usual time. Let's hope the weather stays beautiful for us all to enjoy!

Mrs Ferguson
Year 1/2 Class Teacher
