8th June 2018

Dear Parents/Carers,

In reception we have been looking at the fairy tale Jack and the Beanstalk. We have been growing our own beans and have made a giant beanstalk. In maths we have been learning to tell the time to o'clock. This week Miss Marsh's class have really enjoyed their trip to Westleigh High School looking at life cycles. Mrs Nicholson's class can't wait to go next week!

This week Year 1/2 have been making a huge effort to welcome Mrs Ellaby into our phase. We have started reading our new book "Meerkat Mail" and have been looking at lots of different habitats and the animals that live there. We have done our own research on meerkats and have begun to make a fact file about them.

This week in 3/4 we have been writing a sequel to Harry Potter predicting what may happen next. Year 3 have been working hard to solve different measure problems in maths and we have all been learning how to read and write pentatonic scales on a glockenspiel.

Year 5/6 have been working on percentages of amounts in maths and have been writing an emotive piece of writing to match the short video "The Piano" as well as learning the names of different animals in Spanish! We are very excited about our Brathay trip next week and can't wait to go!

Have a lovely weekend.

Miss Frost
Year 1/2 Teacher
