15<sup>th</sup> June 2018

Dear Parents/Carers

This week, all the children in school have been busy practising ready for Sports Day next week and they have been really impressing us!

Reception have been reading the story of the Three Little Pigs and building their own houses out of different materials. They have also planted some more seeds – this week, they planted beans. Mrs Nicholson's class were also lucky enough to visit Westleigh High School for a lesson about Life Cycles.

In Year 1/2, the children have started to read their new book 'Meerkat Mail' and have sent their Meerkats to Antarctica! They have also been playing parachute games in PE this week, which they have really enjoyed.

In Year 3/4, the children have been sketching their own design of Hogwarts, using a range of sketching techniques – we have had some very creative ideas! They have also began to read their new class reader – The Journey – which we are all very enthusiastic about.

This week, Year 6 and some children from Year 5 visited Brathay in the Lake District. Whilst they were there they took part in lots of exciting activities including swimming in a lake, jumping of a jetty into a lake, canoeing and gyhll scrambling. They were also very pleased that they received hot chocolate whilst they were there! The children also took the opportunity to complete an excellent piece of writing persuading people to visit Brathay.

Have a lovely weekend!

Miss Ball  
Year 3/4 Teacher
