Friday, 29th June 2016

Dear Parents/Carers,

Wow! What a fantastic week we have had at school this week. The weather has been glorious and there has been lots of fantastic learning taking place across all the phases.

Reception have been reading 'Super Potato and the Evil Peas' and have been doing lots of activities based around the story.

The Year 1/2 had a brilliant time at Formby on their school trip. Following the trip they have been writing letters to their parents to tell them what a super time they had. In Maths the children have been adding and subtracting using a number line and have produced some excellent Maths work.

Year 3/4 have been reading 'Journey' and exploring the idea of travelling to different, magical places. They had a brilliant day on Monday when children and staff from St Mark's came to St George's for an 'Immersion' day and took part in various activities linked to 'Journey'. Following the visit, they wrote postcards as the girl from the story to tell tales of her magical journey.

Year 5/6 have been working with an artist this week and creating some amazing glass work. They have also been involved in writing some poetry for a competition and have created some fantastic entries!

Please can you also make sure your child has sun cream and a sunhat with their names on in school.

Have a lovely weekend and enjoy the beautiful weather!

Mrs Evans
Year 3/4 Teacher
